## TEACHER'S NOTES FOR YOU!

### Kindergarten ~ Mrs. Bullington

Hey Kindergarten Families!

I have so enjoyed teaching your amazing children this year! It has been a joy to see them grow in their love of Jesus, their understanding of the gospel, their knowledge of His Word, and all their learning.

The children are so excited to share their Bible memory and reading with you tomorrow, as they receive their awards and certificates at Kindergarten graduation! I'll see you there!

Keep reading this summer, and I hope to see many of your children at Vacation Bible School!

In the precious love of the Lord Jesus,  
Mrs. Bullington

### **1st grade ~ Mrs. Baker**

We are enjoying a week of review and fun this week as we get ready for second grade.

Our last spelling test is Thursday and for those who wish to read at home we will continue in our readers for the next 2 days.

We have worked hard this year and learned many new things.

I pray for God's rich blessings in your lives and that you will continue to grow in him. You have been a blessing to me and I thank all my wonderful first graders and parents for making this a great year.

Wishing you all a safe and wonderful summer!!

### **2nd grade ~ Mrs. Bickett**

And then there were 2 ½ days left! The year has flown by! I have been blessed to have taught each of your precious children! We've made many memories together! I pray that you will enjoy your summer break and that you will come back to PCA next year refreshed and ready for another year!

I will be tutoring over summer break. Please contact me if you're interested in your child being tutored. I encourage you to have your child read and work on memorizing those math facts over the break, so they don't forget what they've learned.

Thank you again for the loan of your children!

### **4th grade ~ Mrs. Odell**

We will review our verses for this week.

We are studying more current history. The children should be drilling on the states and capitals and the presidents, too. We will end the year with tests on these things.

Our plant sale was such a great time for the children! They planted, watered, fertilized, watched and even petted some of them. The almost \$100 that was earned from their sale will go to our sponsored child, Allison. Thank you for participating in this endeavor with us. They practiced counting change back which is quite an accomplishment!

Thank you for the wonderful meals last week! We felt blessed and loved!

Thank you for sharing your children with me this year! I have loved each of them and pray they will "grow in grace and knowledge of our Lord Jesus Christ." Have a wonderful summer marveling in the beauty of the season!
