- Our annual **PCA Holiday Sale is being rescheduled**. We are looking at a date later in November. Stay tuned! **To make our sale successful, we could really use more donations...** gently used home décor, holiday items, books, puzzles. If anyone is able to **help** with set-up/tear-down or during the sale, please let Miss Beverly or the office know.
- Our **Mini Cheer Camp** is this Friday from 12-3 p.m. Parents are welcome to come at 2:45 to watch the girls review all they've learned at camp! The girls will cheer at our home game next Thurs, Nov 7.

- The upcoming **play**, the Miracle Worker, is in need of some props: an old water pump, a non-valuable hurricane lamp, swinging baby cradle, old doctor bag and stethoscope, lantern, and costumes that work for the late 1800s. If you are willing to allow us to borrow any of these items, please contact Mrs. Kiser at 815-866-1328. Thank you!
- **Picture Re-Takes** are scheduled for November 13. Your original pictures will be going home soon. If you're interested in re-takes just bring back the originals on retake day.
- It's time for **Operation Christmas Child**. Our school participates every year in packing shoeboxes for children in need across the world. Many of our teachers will ask students to bring in an item for their class shoebox. Your family is also welcome to pack a shoebox. Any shoebox will work, but we do have some preprinted ones available outside the office.

Teacher Wish Lists!

One of our parents asked teachers and staff to compile a list of items they could use in their classroom... anything from basic supplies to fun items. Below are links to Amazon lists for what has been submitted so far. With Christmas around the corner, this is a great opportunity to bless our teachers and staff with things they desire and need for their classrooms and students. Items will default to school delivery. Once purchased, the item will come off the list. Thank you for considering this opportunity.

TEACHER'S NOTES FOR YOU!

3rd grade ~ Mrs. Glass

Bible - Our memory verse is 1 John 4:7-8. This week, we will learn how to walk in love. We will learn how we need to look at the inwardness of someone versus the outward appearance of others.

English - We will learn how to add " 's " to make a noun possessive. We will learn compound nouns and main ideas of paragraphs.

Math - We will continue to work with division problems and learn how to check our division problems. We will start the multiples of 5 and learn a pictograph.

Spelling - List #10 Test Friday.

Science - We have finished our chapter on the Solar System. Test on Wednesday.

History - We are still learning about John Smith.

4th grade ~ Mrs. Odell

Our Scripture focus this week is Psalm 8. What an amazing example of praise and worship!

Our "Pioneer/ No Electricity Day" went really well. We are so spoiled with all our conveniences, but I will say it will be nice to have the lights on Wednesday!

Thank you for the donations toward the shoe boxes. There's still time if you would like to give. We are beginning our "giving" focus toward our community this week by giving change for buying the hats and mittens. This is totally from the generosity of the children.

We are continuing nouns in English. Math is keeping us busy learning about estimating and averaging numbers and then into more work with fractions. Again, please practice facts at home. We will test in history Wednesday (hopefully). We will be continuing on with plants in science.

We will be testing on spelling list 10 Wednesday and then we will begin and do list 11. Have a wonderful week!

5th grade ~ Mr. Clausen

History - Test Thursday.

Bible & Spellings tests will be on Thursday this week.

We are expecting Nation Notebooks to come in very soon!
